This kit contains a stimulating range of materials which explore and explain the functions of all instruments of the orchestra, as well as the human voice.

Orchestra; Musical instruments

### Asian treasure bag of folk tales

045224 VH

PJ 30 min 1995 Visual Education Centre

Storytellers Nancy Wong and Robert Kikuchi-Yngojo, perform four stories that originated in Asian folklore. From the reverence of China's The Long Haired Girl to the playfulness of the Seven Silly Fellows from the Philippines, each story reflects the depth and diversity of Asian cultures. With words, movements, costumes and musical instruments, the storytellers make each tale memorable and unique. Teacher recommended - 2006.

Culture - Study and teaching; Language arts (Elementary); Storytelling; Folklore - Asia

**Catuor**

085190 VH

JIS 4 min 1970 National Film Board of Canada

This film is about cats - actually, one very clever cat. The title is a play on the French *Quatuor*, meaning quartet, but the chorus is not the usual alley-cat variety. The cat in this film is talented indeed. He is both pianist and piano, trumpet and trumpeter and, if need be, even becomes the music - a pulsing rock and roll-or a whole swarm of alley cats.

Cats - Fiction; Fiction films; Stories without words; Musical instruments - Fiction; Animated films; Short films

**Celebrate the feast of lights (30) [music] / words by Sally K. Albrecht and Lois Brownsey ; music by Sally K. Albrecht.**

Teacher's Notes : Non-fiction text Links perfectly with grade 6 music curriculum Great mentor text for informational text and biography Includes short texts about musical eras and countries, in which composers were born/played in, and anecdotes which allow students to make connections and make inferences about the composers' lives Language in context - the use of le present, le passé composé and l'imparfait in a recount (biography) Includes audio CD containing excerpts of music and narration which invites students into guided appreciation of the music. Classification of music into themes would serve as an excellent complement to the teaching and learning of "mood" and descriptive writing.

Presenter le plus grands d'entre la musique classique, depuis l'époque baroque jusqu'au XXe siècle. Les Mozart, Vivaldi, Bach, Beethoven, Wagner, Verdi, Ravel, Stravinski et les autres prennent vie grâce aux illustrations a fois drôles et poétiques, grâce aussi aux brefs mais nombreux extraits musicaux que l'on retrouve sur le disque. Presents the world of classical music, since the baroque era to the XXe century. Mozart, Vivaldi, Bach, Beethoven, Wagner, Verdi, Ravel, Stravinski and the others take life thanks to the funny and poetic illustrations and also to the brief but numerous musical extracts that are found on the compact disc included. Comprend les références discographiques des extraits musicaux présentés sur le disque compact: p. 119-[120]. Reading Strategy: Inferring ; Determining Important Ideas ; Synthesizing ; Summarizing Character Education Link: Integrity ; Honesty ; Courage Writing Trait: Organization ; Presentation

035613 KT  
PJ 1995 Filmwest Associates

John Langstaff works with a group of young children, teaching songs, experimenting with rhythm, teaching part-singing and how to build an orchestra - all to develop their musical abilities - instructs children and their teachers simultaneously. Activities and song booklet included.

Music - Instruction and study; Rhythm

### **Marsalis on music (Series)**

Marsalis on music is the young people's series for our time, hosted by Wynton Marsalis - the most popular and acclaimed jazz musician of his generation, and a distinguished classical performer as well. With help from his jazz band and students from Tanglewood, led by Seiji Ozawa, Wynton puts a fresh spin on music appreciation. His inspired instruction, backed by superb performances and exciting graphics, not only teaches the fundamentals of music but also makes learning fun.

We belong (30) [music] / rhythm section arranged by Mark A. Brymer ; words and music by Linda Steen Spevacek. [025173]

### Music overview

045133 VH  
J 24 min 1997 Magic Lantern  
*Disney's world of music discovery (Series)* - Viewers are introduced to how music is made and to the basic elements of music: rhythm, melody and harmony. Music is organized sound, and the team involved in making music includes the composer, arranger, conductor or band leader, and performers such as bands, orchestra, soloists, and vocal groups. When music is made, something vibrates. Instrument families including strings, woodwinds, brass, rhythm, and percussion are introduced. The human voice is also used in a variety of ways to create music. Music styles from classical to current pop and folk music are demonstrated by a group of young musicians, and viewers learn how music is integral to classic Disney animation. Teacher recommended - 2007.

Music - Instruction and study;
