Some special reports are tied to series title for access purposes.

For descriptions see individual titles:
The National Ballet at 50 [086521]

Footnotes. The Classics of Ballet (Series)

This original Canadian ballet series examines the greatest ballets of all time and features interviews with world famous dancers and wonderful film footage of the classics - from Nureyev and Fonteyn performing with the Royal Ballet to the great Russians of the Kirov and the Bolshoi Ballets. With light-hearted humour, those who know them best, uncover the essence of these timeless tales.
